ADVANCED PROLOGUE INNOVATION (API)

Les Ulis (91940), France

listing.download.description

A subsidiary of the French Group Prologue (more than 500 employees in France and around the world), API (formerly Prologue Numérique) has been present in France in the field of EDI for about twenty years.

Software publisher and recognized supplier in the dématérialization of échanges of dataées and documents, especially in EDI, its range Use it Flow spécialisée is agréé GS1 2017 for the processing of invoices électronics EDIFACT.

API is also a signatory to the Charter of Interopérabilité of billing électronics solutions and a member of the FNFE.

We support certain public bodies and companies from different sectors of activity in the evolution of their "material" exchange (EDI, XML, etc.) and their digital transformation.

These years of know-how allow us to offer services for the deacute;matérialisation of B2B/BtoA flows in both on-premise and SaaS (Software as a Service) mode.

(more information is available on our website with références and témoignages customers)

listing.download.benifits
