

AGENA 3000

Cholet (49300), France

listing.download.description

Created in 1980 THE AGENA3000 company is a provider and incentive for solutions to optimize data exchanges for manufacturers distributors and their partners in various business sectors.

In France as an international company, AGENA3000 supports more than 3,500 customers who trust it in their digital transformation. In addition to its offices in France (Cholet and Le Mans), AGENA3000 is located in Montes and Tunis.

AGENA3000 pays particular attention to the importance of its solutions in meeting the standards and uses of the business sectors in which they are required. The different qualifications obtained from GS1 France guarantee users compliance with these standards.

listing.download.benefits
