AKENEO

Nantes (44100), France

listing.download.description

AKENEO is a company that develops a product data management (PIM) to simplify your product data management processes.

Our intuitive tool, the market leader in open-source PIM, helps companies centralize and harmonize all technical and marketing information from their catalogues and products.

Get your data from any source, enrich and control the quality of your product information, and disseminate it across multiple channels. With Akeneo, take back the co-op of your data and don't be afraid of multichannel!
