ALKEMICS

Paris (75009), France

listing.download.description

Thanks to our flexible and "modifiable" data model, the platform is opening up to other distribution sectors such as parapharmacy, safe distribution and out-of-home catering.

After a successful launch in France, Alkemics is entering the UK market in 2018 as a provider of a successful solution by productDNA: a service that helps distributors and their suppliers share product data.
