

# AUDIT and CONSULTING in SUPPLY CHAIN and LOGISTICS

Paris (75012), France

## listing.download.description

Founded in 2002 in Paris, Supply Chain Masters® supports SMEs and mid-caps in their logistics and supply chain projects throughout the France.

In more than 20 years, we have carried out more than 250 missions in all sectors of activity.

We always start with an inventory of the organization, processes, information system and logistics performance in order to provide the business manager or the CoDir:

- a clear vision of the strengths and weaknesses of its Supply Chain
- relevant recommendations

By consulting us, you will benefit from a strong expertise applied to all Supply Chain trades as well as a pragmatic approach to improving your operational performance.

## listing.download.benefits

Our principles of action are based on good industrial and logistics management practices, digital technologies, sustainable development requirements and the search for easy-to-access, robust and scalable solutions with a high return on investment.

Project examples:

- Supply Chain audit and performance diagnosis
- Supply Chain strategy and 3-year roadmap
- B2B / B2C service and stock policy
- Sales forecasts
- Strategic and Tactical Planning (PIC/PDP)
- Inventory optimization
- Control of supplies
- Process redesign
- Definition of performance indicators according to the standards of the interprofession
- Dev. computerized dashboards in PowerBI
- Dev. logistics synergies with customers and suppliers
- Optimization of stocks and supplies
