CaseDI

Carquefou (44470), France

listing.download.description

CASedi offers you its know-how in setting up your EDIs.

We are there to accompany you by advice, both functional and technical, in reacute, or by offering you EDI solutions 'closed; in hand'.

CASedi is also a training organization recognized for its expertise in the fields of EDI-EAI. Our history has our extensive expertise in the CGI TradeXpress software of geneRIX and we support our clients in both the migration of existing systems and the implementation of new EDI-EAI infrastructures.
