Eucleia santé

Angers (49100), France

listing.download.description

Eucleia Santé for the Dematerialisation tax in B2B of the actors of the health !

The Eucleia-santé dematerialized tax is based on 2 certifications:

- Certification " Electronic safe " to secure the conservation and non-modification/deletion of documents.

- Certification " Hébergement des Données de Santé or Health data hosting " HADS to secure access to these documents. Otherwise, invoices and their personal health data are almost exposed, making them accessible, vulnerable.

Eucleia Santé for the Dematerialisation tax in B2B of the actors of the health !

listing.download.benifits

All or part of all the services necessary for the implementation of tax dematerialisation, today, but also tomorrow with the 2023-2024 obligations.
