ISAGRI your commercial management in connection w

Tillé (60000), France

listing.download.description

ISAGRI is the leading French publisher of commercial and technical management software for wine estates. Anxious to offer its customers the tools closest to their needs, ISAGRI constantly invests to provide time-saving, simple and volutive software.

The ISAGRI solution adapts to the needs of each winery (modular solutions): ISAVIGNE has been adopted by more than 6,000 wineries. In addition to the follow-up of commercial and trust activity (invoices, reminders, mailings, e-mailings…), it provides a response to the problems douanières (inventory management and accounting of your region) and is décline Terminal Point of Sale for the cellar (TP'Vin) and mobile for trade fairs and investments (TP' mobile wine). ISAVIGNE is in contact with the ACCOUNTING software ISACOMPTA for exchange facilitation with your accountant.

listing.download.benifits
