

# ISAGRI your commercial management in connection

W

Tillé (60000), France

## listing.download.description

ISAGRI is the leading French publisher of commercial and technical management software for wine estates. Anxious to offer its customers the tools closest to their needs, ISAGRI constantly invests to provide time-saving, simple and volutive software.

The ISAGRI solution adapts to the needs of each winery (modular solutions): ISAVIGNE has been adopted by more than 6,000 wineries. In addition to the follow-up of commercial and trust activity (invoices, reminders, mailings, e-mailings&hellip;), it provides response to the problems douani&egrave;res (inventory management and accounting of your region) and is d&eacute;cline Termin: Point of Sale for the cellar (TP'Vin) and mobile for trade fairs and investments (TP' mobile wine). ISAVIGNE is in contact with the ACCOUNTING software ISACOMPTA for exchange facilitation with your accountant.

## listing.download.benifits

We are as attached to the quality of the software as to the support of our customers in their use, a guarantee of r&eacute;ussite. The ISAGRI service contract includes:

- 120 advisors available 6 days a week until 7:30 pm to answer your questions (handling &agrave; distance included if necessary)
- Free online training on third-party m&eacute;cis
- A personal space to &eacute;change data with your support and find all your tips and help documents &agrave; the use
- Online and secure backup of your data
- Major bets every year to bring more simplicity and new useful &agrave; your m&eacute;tier

ISAGRI is also a proximity bucket:

350 regional interlocutors, thanks to the largest network of farmers and corresponding winegrowers in France

On-site training, both at the start of the use of the software, and throughout your activity.
