Microsoft Dynamics 365 Solutions Specialist

Vannes (56000), France

listing.download.description

As a Microsoft Gold Partner, we support our customers in their digital transformation and the continuous improvement of their uses / information systems.

Specializing in Dynamics 365 ERP, CRM, Azure and Office 365 business management solutions, we combine our business expertise with Microsoft solutions to offer our customers technologies adapted to their current and future challenges.

Focused on innovation, Isatech is positioned as a strategic partner of its customers. Our qualities of consulting, project management, training and follow-up are recognized. But above all, and since the beginning of its adventure, Isatech owes its success to the women and men who make up its team: 250 employees spread over 6 sites (Vannes, Nantes, Rennes, Paris, Porto & Lisbon)
