

NOVEXX SOLUTIONS

Rungis (94150), France

[listing.download.description](#)

NOVEXX Solutions is positioning itself as an international market leader in printing, labeling and printing-press solutions thanks to its full range of materials. Formerly a member of Avery Dennison's Division, the company has more than 50 years of expertise, combined with the dynamism of a mid-sized start-up that allows for greater flexibility in order processing.

This company is aimed mainly at the agri-food and pharmaceutical players, but not that. Its experience also allows it to offer innovative and quality solutions to the cosmetics, chemicals and logistics sectors.

NovEXX's mission? Understand companies' challenges and increase their performance by advancing their identification and expertise systems in the global supply chain; its unique know-how
