TIFLEX

Poncin (01450), France

listing.download.description

Tiflex is present in 4 markets: Identification identification coding, screenwriting and digital printing, Registration and signaling of vehicles, stationery items.

It is as experts that we offer and support our customers. Designers and builders of our inkjet printers since 1996, manufacturers of adapted inks, we develop and produce under QSE certification.

Our exclusive partnerships with Hitachi and Macsa allow us to offer comprehensive solutions, in all branding projects, whether they are in goal or at the end of the line.

Tiflex is a commercial and technical team throughout France as well as a distribution network around the world. Tiflex offers its training, maintenance and customization services to ensure a high standard of ability and optimal use of printers.

Tiflex is certified by QSE according to the ISO 9001 v2008, ISO 14001 v2004 and OHSAS 18001 v2007 for all of its activities.
